U visa evaluation: what to bring or discuss

A short preparation checklist. I can confirm which items may be useful; not every item is needed.

What to bring or discuss

- ☐ Your preferred name and contact method.
- ☐ The evaluation question and any important timing you want to discuss.
- ☐ Incident- or case-related materials you would like to discuss with me.
- ☐ Prior records you and I agree may be relevant.

Privacy

Do not send sensitive case or health records with the website form or by ordinary email. Contact the office to ask how to share records appropriately.
